MEMORANDUM FOR: A/COP/DOB

SUBJECT : CINCPAC Targeting

REFERENCE : A/COP/DOB's Memo for Record dated 1 August 1961,
Subject as Above

1. Following our conversation of this date with respect to your acceptance of 5 targets in the CINCPAC area (which were the subject of your conversation in August with [] WPS) I met with [] The latter left with me the attached working paper (form 1715a on which are reflected requirements R-1 through R-5 taken from the most current CINCPAC GEOP) with the request that SR Division block in the usual details to be shown under column 6, "Remarks".

2. I trust that you have available a few blank copies of the 1715a form "Capabilities Report Form" which you can fill out to provide the sort of information we have furnished on previous occasions in connection with our acceptances of U/W requirements based on the AEDEPOT program. I have not been able to find in my own files the duplicate set of the original Capabilities Report Forms on which SR's response was forwarded to WPS in connection with the big package of, as I recall, 59 or 60 requirements levied upon the Agency by the JCS several years ago. At any rate, I gather from what [] told me (and I believe this checks out with what you were told by [] that the 5 CINCPAC requirements in the Eastern USSR area reflected on the attached 1715a form are in every respect identical with 5 U/W requirements submitted to the Agency through the JCS in the original submission. I am sure that you will find this to be the case when you examine your file copies of the original response on the 1715a forms filled out at the time of the Division's acceptance of the CINCPAC requirements. However, as I remember, SR's acceptances of the 5 CINCPAC U/W requirements were accepted on the basis of "programmed assets" (i.e., symbol B) instead of "existing assets" (symbol A). There^{fore}, the job, as I

see it, is to fill out on a 1715a form all of the information shown on the attached "working paper" with the single addition of details (under column 6) with respect to whatever specific AEDEPOT graduates you rack up by number against the individual requirements, R-1 through R-5. Suggest additionally that you show in each instance that the acceptance is based on "agent action cadres held externally" and that approximately 15 days would be required to prepare the agents for shipment overseas.
